HOW TO PLAY PICKLEBALL

SCORING

Must serve underhand from behind the baseline, cross-court, into the service area past the kitchen. Only the serving team can score points.

SERVING

Game is played to 11, win by 2. Each team member gets to serve until they lose the point, with one exception, the team that serves first only gets 1 serve. The score is a series of 3 number; serving team score, receiving team score, server #1 or #2. Ex. 7-3-2 means serving team has 7 points, opposing team has 3 points and it is the second server about to serve.

QUIRKY RULES

After the serve, the receiving team must let the ball bounce, then the serving team must let that return bounce before hitting. After that the ball may be volleyed (hit in the air) or off the bounce. A player cannot step in the kitchen unless the ball bounces in the kitchen first.
